Privacy Statement Summary

Click here for our Privacy Statement Summary or scroll down for our Privacy Statement in full (please visit our FAQs to see which apply to you).

What does this Privacy Statement cover?

- This Privacy Statement explains how we collect, use, share and protect your personal data, and your choices regarding it.
- It applies to all websites, mobile apps and other services that we own and operate that display or link to this Privacy Statement.
- When we refer to the terms we, us and our in this Privacy Statement, we mean each of the companies that determine the purposes and means of the processing of your personal data.

What personal data do we collect and how, and what do we collect it?

- We collect personal data when you:
  - create an account with us;
  - make a booking;
  - use our services; and
  - browse our sites.
- We collect personal data about you and others that you make available to us when you make a booking, such as address, payment card and passport details. We also collect personal data from your devices, such as your IP address and device ID, and data about your activities on our sites, such as your search and booking history. We also collect personal data from other sources, such as our partners and other companies that provide data to us.
- We use cookies and similar technologies to collect personal data when you browse our sites and apps. Some of the cookies we use are essential for our sites to work, while others help us improve your experience by providing insights into how our sites are used, or are used to show you personalised advertisements.

What is your rights and choices?

- You have choices when it comes to the personal data we collect and how we use it.
- You can make a request to exercise your data protection rights online, using our consent tool, or by emailing or writing to us.
- You can ask us to provide you with personal data that we hold about you, to correct or delete your personal data, or to restrict or object to our processing of your personal data.
- You can withdraw your consent at any time.
- You can ask us to provide your personal data to you or to another company in a machine-readable format.
- You can ask us to explain how we have used automated decision-making and profiling to personalise offers we have made to you.
- You can lodge a complaint with your local data protection authority.

How do we share your personal data?

- We share your personal data with companies that provide services to us, such as companies that help us to provide customer support, and companies that help us to market our services.
- We share your personal data with companies that we have partnered with to offer you products and services, such as airlines and hotels.
- We share your personal data with companies that we have partnered with to offer you products and services, such as airlines and hotels.
- We share your personal data with companies that we have partnered with to offer you products and services, such as airlines and hotels.

How long do we keep your personal data?

- We keep your personal data for as long as we need it for the purposes described in this Privacy Statement, or as required by law.
- We keep your personal data for as long as we need it for the purposes described in this Privacy Statement, or as required by law.
- We keep your personal data for as long as we need it for the purposes described in this Privacy Statement, or as required by law.

How do we protect your personal data?

- We have a team dedicated to protecting your personal data and we have implemented appropriate technical and organisational measures to protect your personal data.
- We have a team dedicated to protecting your personal data and we have implemented appropriate technical and organisational measures to protect your personal data.
- We have a team dedicated to protecting your personal data and we have implemented appropriate technical and organisational measures to protect your personal data.

Where can you get more information?
