('Expedia'), and is open only to individuals who are eighteen (18) years of age and older, have a valid email address and have enrolled in the Programme ('Member(s)'). By participating in the Programme, Members can earn Points for booking and completing eligible travel through the Expedia Site; and can redeem available Points towards Redemption Rewards, subject to their availability and these Terms and Conditions. The terms 'you' and 'your' throughout these Terms and Conditions refer to any Member.

These new updated Terms and Conditions will apply from 1st February 2022.

Improper Member Activity

Expedia reserves the right to disqualify any Member that it reasonably believes to be tampering with the operation of the Programme or to be acting in breach of these Terms and Conditions or in a fraudulent or deceptive manner. Any attempt by any Member to undermine the legitimate operation of the Programme may be a breach of criminal and civil law, and, should such an attempt be made or threatened, Expedia reserves the right to seek damages from any such person to the fullest extent permitted by law.

Expedia has the right to monitor all Account activity for compliance with these Terms and Conditions. If Expedia has reasonable grounds to believe that your Account shows signs of fraud, abuse, improper conduct or suspicious activity (collectively, '**Improper Activity**'), Expedia may close or freeze your Account immediately, and where such Improper Activity is found to have occurred, you may lose your accumulated Points or Redemption Reward(s). If you have conducted any Improper Activity, Expedia reserves the right to take any necessary legal action and may have grounds to confiscate any Redemption

Rewards as a result of such activity. In addition, you may be liable for monetary losses to Expedia, including litigation costs and damages, and you will not be allowed to participate in the Programme in the future. Eligible Bookings discovered to be related to Improper Activity will have their Points rescinded, and the Account associated with such activity will be frozen from further Point earning or redemption activity. To contest freezing of an account, the rescinding of Points or confiscation of Redemption Rewards, please contact the [Customer Service Centre](#) using the links on this page.

Liability

The Programme is provided without any warranty (either express or implied) or implied term of any kind, including but not limited to any implied warranties or implied terms of satisfactory quality, fitness for a particular purpose or non-infringement. Expedia makes no guarantees, warranties or representations of any kind concerning the Programme, except where a particular guarantee or warranty cannot be excluded under applicable law, including consumer law.

Expedia will not be liable for any inaccuracies regarding the earning, redemption and use of Points, unless and only to the extent that Expedia directly caused such inaccuracies. Expedia will not be liable with regards to Redemption Rewards that, after receipt, may be lost, stolen or destroyed, other than where such liability was caused or contributed to by a negligent or fraudulent act of Expedia. Expedia suppliers and partners are in no way affiliated with or responsible for Programme administration.

Subject to the limitations set out in these Terms and Conditions, you agree that neither Expedia or its affiliates will be liable for any losses arising out of or in connection with the Programme (including, for example, any use of the Programme and/or any delay or inability to use the Programme) which were not:

- (i) reasonably foreseeable by both you and Expedia at the time of enrolment in the Program;
- (ii) actually suffered or incurred by you; and
- (iii) caused by a breach of Expedia's obligations under these Terms and Conditions or our failure to use reasonable care and skill.

Subject to the limitations set out in these Terms, in no event shall Expedia be liable for any business losses and/or losses to non-consumers including (without limitation) loss of profits or loss of revenue.

Nothing in these Terms and Conditions shall limit or exclude Expedia's liability for death or personal injury caused by our negligence; for fraud or fraudulent misrepresentation; or for any other liability which cannot be legally excluded or limited under applicable law, including consumer law.

Suspension and termination of these Terms and Conditions

To the fullest extent permitted by law, Expedia reserves the right to suspend the availability of or terminate the Programme to any person, at any time, for any or no reason, with prior reasonable written notice and without liability to you.

The Programme has no predetermined termination date and may continue until such time as Expedia decides to terminate the Programme. Expedia may terminate the Programme at any time with notice. Upon termination, you will have ninety (90) days from the date that Programme termination is announced to use available Points remaining in your Account. After that date, any Points will be forfeited without compensation.

Privacy

It is a condition of membership to the Programme that a Member consents and authorises Expedia to collect, use and disclose the personal information collected by Expedia in accordance with the Privacy Statement available at www.expedia.co.uk/privacy and all applicable privacy and data protection laws.

Marketing

Where Expedia wishes to market its products or services to you, Expedia will do so only after obtaining your prior consent. If you are receiving promotional information and do not wish to receive this information any longer, please contact the Customer Service Centre to request to be removed from the marketing list, or use the unsubscribe facilities included in Expedia's marketing communications. Expedia will address such a request as soon as reasonably possible, but in any event less than 30 days after such a request is received.

Membership of the Programme

To earn Points for an Eligible Booking, you must be a Member of the Programme prior to making an Eligible Booking and be signed in to your Account at the time of making the Eligible Booking. No Points will be earned for bookings made on the Expedia Site when you are not signed in to your Account or if you create an Account after booking but before travel is completed. As a Member of the Programme, you will receive certain Account-related updates such as your Points statement or tier status.

Members may close their Account at any time by calling the Customer Service Centre. Your ability to earn and redeem Points and claim any Programme Benefits will be suspended after the closure of your Account. If you close your Account, you will no longer have access to your profile or access to your account statement information, no Points will accumulate on future bookings, and any accumulated Points will be unavailable to be used for Redemption Rewards and will expire immediately from the date of closure. You will not be able to reactivate a closed Account. If you want to join the Programme again in the future, you will need to create a new Account.

Earning Points

Points can only be earned by the owner of the Account through which any Eligible Booking is made. Additional individuals named as travellers on the itinerary will not earn Points. If you are booking a trip for another individual as a travel arranger using the Arranger Settings in your Expedia Account, the individual's Account that you are using to book the travel will earn Points for the Eligible Booking only if their Account is enrolled in the Programme and they have an active Account.

After making an Eligible Booking, the anticipated number of Points to be earned will be held in pending status. The number of pending Points calculated at the time of making an Eligible Booking is based on the details of the itinerary booked. Changes or cancellations to the booked itinerary may result in differences between the anticipated number of pending Points and the actual number of Points earned for that itinerary. Pending Points are not eligible to be used for Redemption Rewards. For pending Points to move from pending to available status, the Eligible Booking must result in Completed Travel and Points will be available in your Account based on the time periods identified in the Posting/Reconciliation chart below. Once in available status,

Points are eligible to be used by the Member towards a Redemption Reward(s).

No Points will be earned for change or cancellation fees imposed by suppliers.

If you use a coupon when making an Eligible Booking, the value of the coupon will be deducted prior to calculating the Points. If any additional amounts are payable to the travel supplier at the time of travel, check-in or check-out (such as city tax or a resort fee) such amounts will not be included when calculating the Points (even where such an amount is included in the total displayed when booking).

Where a booking is made with any Points or Reward Coupon, a Member is not eligible to earn Points or Bonus Points on that portion of the booking.

Expedia reserves the right to rescind or cancel at any time any pending or available Points that were earned for non-Completed Travel.

Points will be rescinded or cancelled in cases where a Member receives a refund or credit, from either Expedia, a supplier, a financial institution or a card issuer. Where a Member receives a partial refund or credit from either Expedia or a supplier due to a cancellation within a penalty window, no Points will be earned. Where a Member receives a partial refund or credit from either Expedia or a supplier and Points were redeemed to pay in part or in full for the Eligible Booking, the Points used will be reinstated to the Member's Account. Points earned pursuant to fraudulent, sham activity or falsified information will be rescinded or cancelled by Expedia.

If your Account does not reflect the correct number of Points that you should have earned as determined by Expedia, Expedia reserves the right to notify you of the inaccuracy, and to adjust your Points balance to correct the inaccuracy. If you believe that your Account has been the subject of any suspicious activity, please contact the Customer Service Centre immediately. If it is determined you have been the victim of a fraud, the Points that you have earned may be transferred to a new Account.

Your Points balance and redemption activity can be accessed on your Expedia Rewards activity page. Points and Programme Benefits have no cash value and may not be transferred to another Account/Member or redeemed for cash. Points may not be assigned, sold, transferred and/or pledged by you to any third party. You have no property rights or other legal interests in

Points. You are responsible for any personal tax liability that may be related to participation in the Programme and redemption of any rewards.

If you believe that you did not receive the correct number of Points for an Eligible Booking, you must contact the [Customer Service Centre](#) within one hundred and eighty (180) days from the date of Completed Travel. Expedia (acting reasonably) will make the final determination as to whether Points adjustments of any kind are justified for the travel in question. In no event will any Points manually be moved from pending to available status sooner than the time period identified in the Points Posting/Reconciliation chart below.

Point Posting/Reconciliation

Upon making an Eligible Booking, the anticipated number of Points to be earned are held in pending status until an Eligible Booking becomes Completed Travel and payment has been confirmed. Expedia Rewards Promotional Bonus Point offers

From time to time, Expedia may offer opportunities to earn Bonus Points. All applicable terms and conditions associated with the specific Promotional Bonus Point offer must be met in order to earn Bonus Points. Bonus Points earned through a Promotional Bonus Point Offer will be posted to your Account as pending at time of booking, and will move to available status in accordance with the offer-specific terms and conditions. Promotional Bonus Point offers apply to changed bookings, as long as the changed booking still meets all requirements and conditions of the offer. Promotional Bonus Point offers do not apply to cancelled bookings. Offers are limited to the offer recipient and are not transferable. Promotional Bonus Point offers are not redeemable for cash and are void where prohibited by law.

Points expiry

Points will not expire as long as you have earned Points on an Eligible Booking or redeemed a Redemption Reward through the Expedia Site on your Account at least once every eighteen (18) months. If there has been no such activity, all accumulated Points in your Account will expire and will not be reinstated.

Points redemption

Points can be redeemed for Redemption Rewards, which are subject to availability and the restrictions of the relevant supplier as specified on the Expedia Site.

Points cannot be redeemed for cash and have no cash value. Points cannot be combined with any other certificates, coupons, discounts, upgrades, awards or promotions. Points cannot be redeemed on Non-Eligible Bookings as listed above, or other exclusions as listed under each category below. Redemption Rewards are offered as promotional items and are void if sold for cash or other consideration, or if altered or copied, and cannot be reissued if destroyed, lost or stolen. Redemption Rewards are not valid where prohibited by law.

Hotel redemptions

Members can redeem available Points to pay the partial or full cost of a 'Pay Now' hotel booking, including taxes and fees. Points can only be redeemed where payment is being made to Expedia at time of booking where the 'Pay Now' option is presented.

Points cannot be applied to the cost of cancellation or change penalties, bookings that have previously been paid for, or other miscellaneous charges. Points cannot be redeemed on 'Pay Later' properties, or properties offered by Vrbo and/or EG Vacation Rentals Ireland Limited.

Flight + hotel package redemptions

Members can redeem available Points for Expedia coupons in various increments ('Reward Coupon') that can be applied to the cost of a package limited to a 'Pay Now' hotel + flight booked on the Expedia Site. A Reward Coupon will only be able to be issued up to the value of £300. When you redeem Points for a Reward Coupon in your selected amount, you will be issued a Reward Coupon code. The issued Reward Coupon will be deposited into the Member's Expedia Account, and can be found on the coupons page within 'My account'. The Reward Coupon may only be redeemed by the Member. Any terms or conditions applicable to each Reward Coupon will be confirmed at the time of issuance. Redeemed Points will be deducted from your Account at the time that the Reward Coupon code is issued.

Reward Coupons can only be redeemed for packages limited to a booking at a 'Pay Now' hotel on the Expedia Site + a flight booked on the Expedia Site, and only where payment is being made to Expedia at the time of booking. Reward Coupons will be applied first to the hotel portion of the package, then to the flight portion of your package, less any taxes, fees or charges due on the package. Please note: any amount of the coupon applied to the flight portion of the package will be refunded to your credit card after your purchase is confirmed, usually within 10 working days. A Reward Coupon can only be applied to one (1) package and one hotel room per booking. A Reward Coupon cannot be used for booking multiple rooms on the same itinerary. Reward Coupons have no cash value. Reward Coupons may not be combined with or applied to any other certificates, upgrades, awards or coupons. All taxes, fees, charges and surcharges applicable to the booking, including, without limitation, baggage fees, seat upgrades, extra person, parking, phone and other charges that are applicable to the reservation are the responsibility of the traveller, and Reward Coupons cannot be applied to such amounts. Reward Coupons cannot be applied to the cost of cancellation or change penalties, prepaid bookings, administrative fees or other miscellaneous charges. Reward Coupons are void where prohibited by law.

No Point refunds will be issued for unused or expired Rewards Coupons. Rewards Coupons expire one year after issuance.

Activities redemptions

Members can redeem available Points to pay for the partial or full cost of an activity where Expedia collects the payment at the time of booking.

Members enter the Programme on Blue tier and must meet the stated criteria below to qualify for a higher tier, or alternatively Expedia Rewards Silver tier status and Expedia Rewards Gold tier status may be offered by Expedia, or its partners, to you

according to the following criteria or criteria specified by the partner. Only Eligible Bookings made while signed in to your Account qualify towards reaching Silver tier and Gold tier. Certain Programme offers and tier benefits may not be available to Members who are not United Kingdom residents.

Members can qualify for Silver or Gold tier by collecting the specified number of Trip Elements in a calendar year as specified in the table below. In order for a Trip Element to be counted towards qualifying for Silver or Gold tier, the Trip Element must be valued at £20 or more (including taxes and fees).

Coupons applied at checkout are not included in the value contributed to Trip Elements. Points used for a Redemption Reward are included in the value contributed to Trip Elements.

Gold	25 Trip Elements in a calendar year

Trip Elements collected on Eligible Tier Bookings from 1st January of each calendar year to 11.59 p.m. GMT on 31st December of each calendar year count towards tier status.

Bookings which are eligible for the purposes of qualifying for a higher tier are set out below. Trip Elements are collected on Completed Travel and your progress is displayed on your Expedia Rewards activity page.
