1. Introduction

This is our loyalty programme which provides members with a range of rewards and benefits. By opening an account you automatically become a member of our loyalty programme.

These Rewards Terms and Conditions explain the various elements of our loyalty programme and will apply to you if you create an Account on Expedia or access your Account on Expedia or another Participating Brand. Use of OneKeyCash is offered by Expedia, Inc. ('EI', 'we', 'our', 'us') on behalf of its subsidiaries and affiliates, all of which are Expedia Group companies (collectively, 'EG').

Members can participate in the Programmes listed below for each Participating Brand subject to these Terms and Conditions. The terms 'you' and 'your' throughout these Terms and Conditions refer to any Member.

Section 20 below will apply to you if you use your Account on Hotels.com in regions where stamps are awarded instead of Reward Progression Nights (as defined in section 19).

NOTE: SECTION 10 GIVES US THE RIGHT TO MAKE CHANGES TO THESE TERMS AND CONDITIONS.

2. Enrolling in the Programmes

The Programme is open only to individual people who are at least eighteen (18) years old – or the age of majority in their country of residence, whichever is older – and have a valid email address. You are responsible for ensuring that your participation in the Programmes comply with your employer's policies related to participation in loyalty programmes.

To enrol in the Programmes, you must meet the eligibility requirements set out in this section and either (a) create an Account with Expedia or (b) sign in to your existing Account on Expedia or a Participating Brand, or (c) otherwise be asked to accept these Terms and Conditions. Upon doing so, you will be required to indicate your acceptance of these Terms and Conditions. Only eligible individuals can participate in the Programmes. Neither companies, groups, organisations, nor travel agents can participate in the Programmes. Accounts cannot be shared or transferred. Accounts are only for personal and non-commercial use. Your Account can be used on Expedia and on other Participating Brands as and when the Programme is made available on those Participating Brands.

If you'd rather not be part of the Programmes, you can delete your Account and still book with Participating Brands as a guest. To find out more about how to delete your Account, please click [here](#). If you delete your Account, you will no longer have access to your profile or Account statement information, you will no longer earn OneKeyCash, and you will lose any OneKeyCash, Reward Progression Nights, Trip Elements and Tier status that you have previously accumulated. You will not be able to reactivate a deleted Account or the OneKeyCash associated with a deleted Account at the time of deletion, if any. If you want to join the Programmes again in the future, you will need to create a new Account.

Membership in the Programmes is void if prohibited by law in your country of residence, and these Terms and Conditions are subject to change (in accordance with section 10 below) as may be necessary to comply with such laws or regulations.

4. Earning OneKeyCash (General)

This section will apply to all Participating Brands where OneKeyCash can be earned and applies to all Participating Brands where Trip Elements can be earned. Please see sections 18 and 19 below for further specific terms relating to the earning of

OneKeyCash, Reward Progression Nights and Trip Elements.

OneKeyCash, Reward Progression Nights and Trip Elements can only be earned by the Member who registered for and controls the Account through which any Eligible Booking is made. The Member will earn OneKeyCash, Reward Progression Nights and Trip Elements for all Eligible Bookings, regardless of the traveller(s) named on the booking. Additional individuals named as travellers on the itinerary of the Eligible Booking will not earn OneKeyCash, Reward Progression Nights or Trip Elements.

To earn OneKeyCash, Reward Progression Nights and Trip Elements for an Eligible Booking, you must be a Member prior to making an Eligible Booking and be signed in to your Account at the time of making the Eligible Booking. OneKeyCash, Reward Progression Nights and Trip Elements will not be earned for bookings made on a relevant Participating Brand when you are not signed in to your Account or if you create an Account after booking.

OneKeyCash cannot be earned on taxes and fees. In addition, if any additional amounts are payable to a Travel Supplier at the time of travel, check-in or check-out – including, but not limited to, taxes, security fees or deposits, resort fees, insurance or fuel charges – such amounts will not be included when calculating OneKeyCash (even where such amount is included in the total displayed when booking). No OneKeyCash, Reward Progression Nights or Trip Elements will be earned on change or cancellation fees imposed by Travel Suppliers or cancelled bookings or refundable damage deposits. If OneKeyCash is earned on an Eligible Booking made in a currency different to the currency associated with your Account, the value of the OneKeyCash earned for that booking will be converted based on the market exchange rate applicable on the date of booking. You will earn (or not earn, as the case may be) OneKeyCash at the rate of the Tier you are on, at the time of your Eligible Booking.

The amount of pending OneKeyCash, pending Reward Progression Nights and pending Trip Elements to be earned are calculated at the time of making an Eligible Booking and (subject to section 16) are based on the details of the itinerary booked. Changes or cancellations to the booked itinerary may result in differences between the anticipated amount of pending OneKeyCash, pending Reward Progression Nights and pending Trip Elements, and the actual amount of OneKeyCash and Reward Progression Nights earned and actual Trip Elements collected for that itinerary. Pending OneKeyCash is not eligible to be used for Redemption Rewards and pending Trip Elements do not count towards Tier status. For pending OneKeyCash to move from pending to available status and pending Trip Elements to move to confirmed status, the Eligible Booking must be Completed (as defined in sections 18 and 19), and will then be made available in your Account based on the time periods identified in the Posting/Reconciliation charts in sections 18 and 19 below. Once in available status, OneKeyCash can be used by the Member towards a Redemption Reward(s) and Trip Elements will count towards Tier status.

OneKeyCash is promotional in nature, cannot be purchased directly, has no cash value and may not be transferred to another Member or redeemed for cash under any circumstances. OneKeyCash may not be assigned, sold, transferred and/or pledged by you to any third party. You have no property rights in OneKeyCash. You are responsible for any personal tax liability that may be related to participation in the Programmes and redemption of any Redemption Rewards.

5. Promotional OneKeyCash

From time to time, we may offer opportunities to earn additional OneKeyCash on Participating Brands (**Promotional OneKeyCash**), at our sole discretion.

All applicable terms and conditions associated with the specific Promotional OneKeyCash offer must be met in order to earn the OneKeyCash. OneKeyCash earned through a Promotional OneKeyCash offer will be posted to your Account as pending, and will move to available status in accordance with sections 18.3, 19.3 or otherwise as specified in the offer-specific terms and conditions. Promotional OneKeyCash offers do not apply to cancelled bookings. Promotional OneKeyCash offers are applied based on meeting eligibility requirements at the time of the original booking as set out in the offer-specific terms and conditions, for example Promotional OneKeyCash may be offered only to a certain Tier or Tiers. Promotional OneKeyCash may have different expiry periods to Base OneKeyCash; please check the offer-specific terms and conditions. **Promotional OneKeyCash offers are limited to the offer recipient, promotional in nature, may not be transferred to another Member and may not be redeemed for cash under any circumstances.**

6. OneKeyCash redemption (General)

Please see sections 18 and 19 for further specific terms relating to redemption of OneKeyCash on the Programmes.

OneKeyCash can be used for Redemption Rewards when signed in to your Account and where specified on a Participating Brand and subject to the further terms relating to each booking type set out in sections 18 and 19 below.

Redeemed OneKeyCash will be deducted from your Account at the time of booking. You may be provided with the option to adjust the amount of OneKeyCash to be applied on your Redemption Reward; where the option is provided you will see this on the checkout page. This option may not be available on all Redemption Rewards, or all Participating Brands.

If OneKeyCash is used on a Redemption Reward made in a currency different to the currency associated with your Account, the value of the OneKeyCash used will be converted to the currency of the Redemption Reward based on the market exchange rate applicable on the date of booking, and deducted from your Account.

If OneKeyCash is used to partially redeem a Redemption Reward then the balance of the payment must be paid with a credit or debit card and not with any other payment method. OneKeyCash cannot be used on any Pay Later bookings, or when using 'buy now pay later' payment methods. OneKeyCash is a promotional instrument and only redeemable on Redemption Rewards. OneKeyCash cannot be used or refunded for cash in any currency and has no cash value. Unless stated otherwise, OneKeyCash cannot be combined with gift cards, coupons, upgrades, awards or promotions. OneKeyCash cannot be used on previously paid bookings; packages; or insurance (except where noted in sections 18 and 19). In relation to Pay Now bookings,

OneKeyCash can be used on taxes and fees, however it cannot be used on: any additional amounts payable to the Travel Supplier at the time of travel, check-in or check-out (including but not limited to taxes, security fees or deposits, resort fees, insurance or fuel charges, even where such amounts are included in the total displayed when booking); cancellation fees or change fees or other exclusions as listed under each category below. Redemption Rewards are not valid where prohibited by law.

7. Membership Tiers (General)

Tier status is a benefit of membership of the Programmes. You will enter the Programme as a Blue tier member and you must meet the stated criteria below to qualify for a higher tier. Alternatively, Silver, Gold or Platinum Tier status may be offered by us – or our partners – to you according to the criteria stated below, or criteria specified by the partner or otherwise specified by us. Only Eligible Bookings (as defined in sections 18 and 19) qualify towards reaching Silver, Gold or Platinum tier status.

Members can qualify for Silver, Gold or Platinum Tier by collecting the specified number of Trip Elements in a calendar year as specified in the table below. The specific criteria for earning a Trip Element are defined further in sections 18 and 19 for each Participating Brand.

Tier	Number of Trip Elements needed
Silver	5 Trip Elements in a calendar year
Gold	15 Trip Elements in a calendar year
Platinum	30 Trip Elements in a calendar year

Trip Elements will be confirmed based on the conditions set out in sections 18 and 19 and the time periods identified in the Posting/Reconciliation charts in sections 18 and 19.

Trip Elements collected on Eligible Tier Bookings from 1 January (Pacific Standard Time) of each calendar year to 11:59pm (Pacific Standard Time) on 31 December of each calendar year count towards tier status for that calendar year (**'Membership Year'**).

Trip Elements earned on travel that begins in one Membership Year and ends the next Membership Year will be allocated on a pro-rata basis where multiple Trip Elements are earned for that travel, and where a single Trip Element is earned for that travel it will be allocated to the next Membership Year.

Once earned, your Tier is valid for the remainder of the Membership Year in which you qualified, the next full calendar year, and through 28 February of the following year. The Tier you earn in subsequent Membership Years will be determined by the number of Trip Elements collected in the previous Membership Year. Your Tier will be reviewed at the end of each Membership Year, and your Tier may be reduced in subsequent years depending on the number of Trip Elements collected.

Bookings which are eligible for the purposes of qualifying for a higher tier are set out for each Participating Brand in sections 18 and 19. Trip Elements are collected on travel that is Completed and will be displayed once confirmed on your rewards activity page.

Silver, Gold and Platinum members may have additional Programme Benefits, which may be subject to additional terms and conditions. Programme Benefits offered by third parties are subject to the terms offered by those third parties and provided at the reasonable discretion of the third party. We are not responsible for any claims, losses or liability arising out of, or in connection with, the acts or omissions of those third parties in the provision of the Programme Benefits. Programme Benefits are promotional in nature and have no cash value and may not be transferred to another Member or any other third party or redeemed for cash under any circumstances. To the fullest extent permitted by law, we reserve the right to introduce, vary, suspend or withdraw any benefits at any time without notice where the change is beneficial, does not have a material impact on you or is due to just cause, and otherwise with reasonable prior written notice via a notification or publication on our app, website or by email. Certain offers and benefits may not be available in all territories.

8. Changes to OneKeyCash balances, Trip Elements balance and Tier status

We reserve the right to rescind or cancel at any time any pending or available OneKeyCash, Reward Progression Nights or Trip Elements (or any portion of pending or available OneKeyCash, Reward Progression Nights or Trip Elements) that were earned for an Eligible Booking or Redemption Reward that was not Completed.

Where you receive a partial refund or credit from either EG or a Travel Supplier due to a cancellation within a penalty window, any OneKeyCash used will be forfeited. Where you receive a partial refund or credit from either EG or a Travel Supplier and OneKeyCash was used to pay in part (except for short-term rental bookings) or in full for the Redemption Reward, the Base OneKeyCash used will be reinstated to your Account. Where you receive a partial refund or credit from either EG or a Travel Supplier, and OneKeyCash was used to pay in part for the short-term rental Redemption Reward, some Base OneKeyCash may be reinstated to your Account. In all other cases, OneKeyCash, Reward Progression Nights and Trip Elements will be rescinded or cancelled where you receive a refund or credit, from either EG, a Travel Supplier, a financial institution or a card issuer. OneKeyCash, Reward Progression Nights or Trip Elements earned pursuant to fraudulent, falsified information or otherwise in violation of these Terms and Conditions will be rescinded or cancelled by us. Where you are entitled to a reinstatement of some or all of your OneKeyCash to your Account (as set out above) for a booking made in a currency different to the currency

associated with your Account, your OneKeyCash will be reinstated at the market exchange rate applicable on the date of the booking. Expired Promotional OneKeyCash or Base OneKeyCash will not be credited to your Account under any circumstances.

Your OneKeyCash balance, Reward Progression Nights balance, Trip Elements balance, earn and redemption activity can be accessed on your rewards activity page on each Participating Brand's page where applicable and you will receive periodic updates via email. Your OneKeyCash balance will always be displayed in the currency of the region you are using. If the currency is different to the currency associated with your Account, the balance displayed will be an estimate based on the market exchange rate applicable on the date the balance was displayed. To see the currency associated with your Account, please check your rewards activity page as this may be updated from time to time.

If your Account does not reflect the correct amount of OneKeyCash or number of Trip Elements or Reward Progression Nights that you should have earned, we reserve the right to notify you of the inaccuracy, and to adjust your OneKeyCash, Reward Progression Nights or Trip Elements balances to correct the inaccuracy within one hundred and eighty (180) days from the date the booking is Completed. If you believe you did not receive the correct amount of OneKeyCash, Reward Progression Nights or Trip Elements for an Eligible Booking, you must contact the Customer Service Centre for the relevant Participating Brand within one hundred and eighty (180) days from the date the booking is Completed. We will make the final determination as to whether OneKeyCash, Reward Progression Nights or Trip Elements adjustments of any kind are justified for the travel in question. If you believe your Account has been the subject of any suspicious activity, please contact the relevant Participating Brand Customer Service Centre immediately. If we determine you have been the victim of fraud, the OneKeyCash, Reward Progression Nights or Trip Elements you have earned may be transferred to a new Account.

Customer Service:

Expedia [Help Centre](#)

Hotels.com [Help Centre](#)

If we cancel or rescind OneKeyCash, Reward Progression Nights or Trip Elements, as set forth above, and the changes to your OneKeyCash, Reward Progression Nights or Trip Elements balances means that you no longer have a sufficient number of Trip Elements to be in a certain Tier, we reserve the right to change your Tier Status based on your Trip Elements balance or to remove your Reward Night. Likewise if, following your contact with our Customer Service Centre as set out above, we credit your account with additional Trip Elements, we will review your Tier Status and make any necessary changes based on your new Trip Elements balance and new Reward Progression Nights balance.

9. Member Prices

Member prices ('Member Prices') are available to the following customers:

- Members signed in on a Participating Brand website and app;
- users of a Participating Brand app; or
- Members searching for travel on certain search engines.

Member Prices are available on selected properties and on selected dates only. Member Prices will only be displayed where applicable to your search and are liable to change at any time. Where a Member Price is displayed next to a price which has been struck out (e.g. 'NZ\$100'), the struck-out price is based on the property's standard rate on our site, as determined and supplied by the property, before all discounts and rewards are applied. Members may see different Member Prices depending on their Membership Tier. The 'Price' section of the Terms of Service will also apply to Member Prices.

10. Changes to these Terms and Conditions

We may at any time modify these Terms and Conditions for just cause or in case the amendment is beneficial to you – including, but not limited to, the rules and rates for earning and using OneKeyCash, collecting Reward Progression Nights, the Tiers and requirements for achieving Tier status and earning Trip Elements, the expiration policy for OneKeyCash, the Redemption Rewards, the Programme Benefits, and the products and services on which OneKeyCash may be earned and used.

Changes to the Terms and Conditions will take effect, to the fullest extent permitted by law, from the date they are published or from a later date as specified by us and, where those changes are material, we will provide you with prior reasonable notice via a notification or publication on our app, website or by email.

Your continued participation in one or more Programmes as a Member following the changes coming into effect constitutes your acceptance of the notified changes to these Terms and Conditions. If you do not agree with the changes, you can delete your Account by following the instructions in Section 2 above.

11. Suspension and termination of OneKeyCash and the Programmes

To the fullest extent permitted by law, we reserve the right to restrict the availability of OneKeyCash and the Programmes at any time for just cause, with prior reasonable written notice and without liability to you.

The Programmes have no predetermined termination date and may continue until such time as when we decide to terminate the Programmes. We may terminate one or more of the Programmes at any time. Upon termination, you will have at least sixty (60) days from the date the relevant Programme termination is announced to use available OneKeyCash remaining in your Account. After that date, any OneKeyCash and benefits will be forfeited without recourse or compensation.

12. Improper Member activity

We reserve the right in our sole discretion to disqualify any Member we reasonably believe to be tampering with the operation of the Programme/s or to be acting in breach of these Terms and Conditions or in a fraudulent or deceptive manner. Any attempt by any Member to undermine the legitimate operation of the Programme/s may be a breach of criminal and civil law, and should such an attempt be made or threatened, we reserve the right to seek damages from any such person to the fullest extent permitted by law.

We have the right to monitor all activity in relation to the Programmes for compliance with these Terms and Conditions. If we have reasonable grounds to believe your Account shows signs of fraud, abuse, improper conduct or suspicious activity – including, but not limited to, selling, bartering or trading OneKeyCash and/or Trip Elements, using OneKeyCash which has been fraudulently acquired, requesting OneKeyCash if the requirements for earning OneKeyCash on the booking were not successfully met, misuse of Promotional OneKeyCash, accessing another member's Account, or creating or using the Programme/s for non-individual purposes – or other violations of these Terms and Conditions (collectively, '**Improper Activity**'), we may close or freeze your Account immediately and suspend Programme Benefits, and where such Improper Activity is found to have occurred, you may lose your accumulated OneKeyCash, Redemption Rewards and Programme Benefits. If you have conducted any Improper Activity, we reserve the right to take any necessary legal action. In addition, you may be liable for monetary losses to EG, including litigation costs and damages, and you will not be allowed to participate in the Programmes in the future. Eligible Bookings or Redemption Rewards discovered to be related to Improper Activity will have their OneKeyCash rescinded, and the Account associated with such activity will be frozen from further OneKeyCash earning or redemption activity. To contest freezing, disqualification or termination of an Account, the rescinding of OneKeyCash or confiscation of Redemption Rewards, please contact the relevant Participating Brand Customer Service Centre at:

Subject to the limitations set out in these Terms and Conditions, and to the fullest extent permitted by applicable law, in no event shall the Released Parties be liable for any business losses and/or losses to non-consumers including (without limitation) loss of profits or loss of revenue.

For Preferred Inventory OneKeyCash to move from pending to Available status, the Eligible Booking must be Completed, and will then be made available in your Account based on the time periods identified in the Posting/Reconciliation chart in section 18.3. Preferred Inventory OneKeyCash offers are not applicable to changed bookings. You will not earn additional Trip Elements on Preferred Inventory OneKeyCash offers.

As is the case with all categories of OneKeyCash, Preferred Inventory OneKeyCash is promotional in nature, has no cash value and may not be transferred to another Member or redeemed for cash under any circumstances.

18.4 OneKeyCash Expiry

Subject to the paragraph below, Base and Preferred Inventory OneKeyCash in your Account will not expire as long as you have made an Eligible Booking or redeemed a Redemption Reward through a Participating Brand on your Account at least once every eighteen (18) months. If there has been no such activity, all accumulated Base and Promotional OneKeyCash in your Account will expire and will not be reinstated. Promotional OneKeyCash may have a different expiry period; please check the offer-specific terms and conditions for details.

In such a case, where required by law or at our discretion, we will send you reasonable written notice before the date on which the Base or Preferred Inventory OneKeyCash is set to expire.

OneKeyCash that has been converted from Expedia Rewards points will retain original expiry dates, unless an Eligible Booking or Redemption Reward is made through a Participating Brand on your Account once these Terms become effective in which case the above paragraph will apply.

18.5 OneKeyCash Redemption

18.5.1 Flight Redemptions

Subject to the general exclusions set out at Section 6 above, Flight Redemption Rewards are available on eligible airlines, and on insurance. In order to book a flight using OneKeyCash, you must have enough OneKeyCash available to cover the entire cost of the flight being booked, including all taxes and fees. OneKeyCash cannot be used to pay for items not included in the fare such as seat choice or baggage, and cannot be used to pay for flight booking changes. If you do not see the ability to apply OneKeyCash on the checkout page, this is an indicator that: you do not have enough OneKeyCash to cover the entire flight cost; you have added additional items for purchase such as seat choice or baggage and/or the flight is not eligible for a Redemption Reward and, therefore, ineligible to use OneKeyCash on that booking. Flights do not have to be return; one-way flights and flights into and out of different airports are permitted. Holds cannot be placed on flight Redemption Rewards. Only the Member can use OneKeyCash to book a flight on their Account, but the flight Redemption Reward may be booked in the name of the Member or any other person the Member designates.

18.5.2 Hotel Redemptions

Subject to the general exclusions set out in section 6 above, you can use available OneKeyCash to pay the partial or full cost of a 'Pay Now' hotel. OneKeyCash can only be used where payment is being made on a Participating Brand at time of booking where the 'Pay Now' option is presented. OneKeyCash may be used on insurance where the redemption is being made with a 'Pay Now' hotel as described in this paragraph.

18.5.3 Short-Term Rental Redemptions

Subject to the general exclusions set out in section 6 above, you can use available OneKeyCash to pay for the partial or full cost of a participating short-term rental. OneKeyCash cannot be used on a refundable damage deposit. Where making a booking request, OneKeyCash is only used to pay for the partial or full cost of the participating short-term rental once the booking has been confirmed. OneKeyCash cannot be used on all short-term rentals; please check the short-term rental details page to see eligibility.

18.5.4 Car Redemptions

Subject to the general exclusions set out in section 6 above, you can use available OneKeyCash to pay for the partial or full cost of a 'Pay Now' car hire. OneKeyCash cannot be used where some or all of the cost is required to be paid directly to the Travel Supplier.

18.5.5 Activities Redemptions

Subject to the general exclusions set out at section 6 above, you can use available OneKeyCash to pay for the partial or full cost of a 'Pay Now' activity.

18.6 Membership Tiers

A Trip Element will only be awarded where the Eligible Travel Component of the Eligible Tier Booking is NZ\$35 or more (excluding taxes and fees and after any coupons and any OneKeyCash are applied to the booking).

Bookings which are eligible for the purposes of qualifying for a higher tier for Expedia are set out below.

Eligible Tier Bookings

Type of Booking	How Trip Element is calculated
Flights	1 Trip Element for an Eligible Flight where each ticket (a return flight ticket and any stopover(s) are deemed to be 1 Trip Element; a multi-city ticket is deemed to be 1 Trip Element for each segment) in the booked flight itinerary is flown.
Hotel	1 Trip Element for an Eligible Hotel per room per completed night stayed.
Accommodation Rental	1 Trip Element for an Eligible Accommodation Rental per completed night stayed.
Car	1 Trip Element for an Eligible Car per completed car hire day.
Activities	1 Trip Element for an Eligible Activity for each ticket where the activity is completed. Where the Eligible Activity is Ground Transportation, 1 Trip Element for a completed return trip.

Hotels.com Rewards Terms and Conditions

Last updated on 04/11/2022

Hotels.com™ Rewards is a Hotels.com™ loyalty programme (the 'Programme'). For each night you book and stay at an eligible Hotels.com Rewards property you collect one stamp ('Stamp'). When you collect 10 Stamps with us, we give you 1 reward night to redeem ('Reward Night'). This Reward Night does not include taxes and fees, which you must pay when redeeming your Reward Night. All bookings must be made online or on our mobile app. You can only collect Stamps or redeem Reward Nights at an eligible Hotels.com Rewards property.

The Programme is open to anyone over 18 years old (or the age of majority in your country) who signs up to Hotels.com with a valid email address, and then joins the Programme. Companies, associations, or other groups may not join. Employees of Expedia, Inc. will not be able to collect Stamps or redeem Reward Nights if they make a booking using an employee discount. If an Expedia, Inc. employee makes a booking without using their discount, they will be able to collect Stamps and redeem Hotels.com Rewards nights.

REWARDS TIERS

The Programme has 3 tiers:

Hotels.com Rewards,

Hotels.com Rewards Silver and

Hotels.com Rewards Gold.

You will join as a Hotels.com Rewards member. When you collect 10-29 Stamps in a membership year, you will qualify for Hotels.com Rewards Silver. When you collect 30 Stamps or more in a membership year, you will qualify for Hotels.com Rewards Gold. A membership year runs for a year from the date you first created an account, and each anniversary after that.

Silver and Gold members have a dedicated phone number they can call 24/7 to make or discuss their bookings and there are other benefits like early sale access and exclusive offers. These will all be available within 2 weeks of qualifying for Silver or Gold and will last for the rest of that membership year and the whole of the following membership year. If you do not collect enough Stamps to stay in Silver or Gold, we will move you down a tier for the next membership year.

COLLECTING STAMPS

You will collect 1 Stamp for every night you stay at an eligible Hotels.com Rewards property. Collect 10 Stamps and we give you 1 Reward Night. You must be signed in to your Hotels.com account when you book online and on our mobile app so we can add the Stamps you collect to your account after your stay. If you make a booking with us by phone, you must tell us the email address on your account so we know where to add the Stamps. Only Hotels.com Rewards members collect Stamps. Other guests on the same booking do not, and you cannot collect Stamps for any property bookings you made before you joined the Programme.

We will add any Stamps you collect to your account up to 72 hours after you check out of the Hotels.com Rewards property. If you collect Stamps but we later believe that you did not complete your stay (an 'Invalid Stamp'), we reserve the right to remove these Invalid Stamps from your account. This could happen if you cancel your booking or did not check-in at the property, which would make the Stamps invalid. Invalid Stamps do not count towards the 10 Stamps you need to redeem a Reward Night. You may need to wait up to 35 days to redeem your Rewards Night if a number of your Stamps are collected via the 'pay later/pay at property' option.

You can check your account to see how many Stamps you have collected at any time. Just sign in at Hotels.com, use our mobile app or phone our call centre. You are responsible for making sure your account is correct. If you believe that you have not collected the correct amount of Stamps, we will look into this for you. If any bookings are invalid as mentioned earlier, we will remove them from your account.

In addition to the information above, you will not collect Stamps for the following:

Bookings made with an affiliate Hotels.com website

Bookings made before you joined the Programme

Package bookings i.e. property + flight

Some bookings made using a discount coupon, voucher or code – you will need to check the terms for each of these

Bookings made through Group Travel Services

Bookings that do not cost you anything, i.e. are free

REDEEMING REWARD NIGHTS

When you collect 10 Stamps, we will give you 1 Reward Night to redeem at any eligible Hotels.com Rewards property. You can redeem your Reward Night online and on our mobile app.

The maximum value of your Reward Night is based on the value of the 10 Stamps you collected as long as they have not expired. This value is equal to the average daily rate, excluding taxes and fees, of the Stamps you previously collected. If you collected a Stamp at a Hotels.com Member Price (defined above), this price rather than the regular price will be used for the purposes of the calculation. You must pay for taxes, fees, meals and any other costs associated with your Reward Night.

If you used different currencies when collecting your 10 Stamps, the value of each Stamp is currently calculated using the currency associated with the territory you were in when you joined the Programme.

Reward Night stays are subject to all applicable booking terms and conditions. You will not collect a Stamp when you redeem your Reward Night. Stamps have no cash value, and you cannot redeem your Reward Night for cash.

If you redeem your Reward Night on a stay that is less than the maximum value of your Reward Night, you will not get the difference in cash, credit or anything else. You can redeem your Reward Night on a stay that costs more than the maximum value of your Reward Night – you just pay the difference.

If you have more than 1 Reward Night to redeem, you can choose which booking you want to apply it to. You cannot combine your Reward Night with any other offer, discount coupon, voucher or code, unless the terms for each of these say you can. This means that when you book a stay and redeem your Reward Night, you generally will not be able to get an additional discount on that booking.

If you redeem your Reward Night on a booking that is longer than 1 night, we will automatically apply its value to the most expensive night in that booking, subject to its maximum value.

Reward Night stays are subject to all applicable cancellation policies that are passed onto us by the Hotels.com Rewards property. If you cancel a Reward Night for which, had you paid for the booking and cancelled it you would have been entitled to a full refund, we will return the Reward Night to your account. If you cancel a Reward Night for which, had you paid for the booking and cancelled it you would have been entitled to a 1-99% refund, the Reward Night will not be returned to your account. If you cancel a Reward Night for which, had you paid for the booking and cancelled it you would have not been entitled to any refund, the Reward Night will not be returned to your account.

If you want to change the dates of a booking that includes the Reward Night you redeemed, you will need to cancel the booking, wait for the Reward Night to be returned to your account, then rebook so you can apply your Reward Night to your new booking.

CHANGES TO HOTELS.COM™ REWARDS, STAMP EXPIRY AND PROGRAMME TERMINATION

Your Stamps will not expire as long as you keep your account active at least once every 12 months. This means you must collect a Stamp or redeem a Reward Night in that time, and when you do, the expiry date will be extended for another 12 months. If you do not collect Stamps or redeem Reward Nights in a 12 month period, your Stamps will expire and we may deactivate your account. If this happens, your Stamps will not be reissued. Sign in to your account to check when your Stamps are due to expire.

We may change our Hotels.com Rewards terms and conditions at any time, with or without notice, including the rules for collecting Stamps, the different membership tiers and their qualification requirements and associated benefits, the rules for redeeming your Reward Night, the list of eligible Hotels.com Rewards properties, and the maximum value of a Reward Night. We may communicate these changes to you by email or on our Hotels.com website, so please make sure you check your account regularly.

Hotels.com Rewards has no end date and will continue until we close it, which could happen at any time. If we do close the Programme, you will have 30 days from when we announce its closure to redeem any Reward Nights you have in your account. After that date, you will lose your Reward Nights and you will not be compensated.

By continuing to collect Stamps and redeem Reward Nights with Hotels.com Rewards, you accept any changes to these terms and conditions. You are responsible for keeping up to date on any changes that we may make. The most current version will always be available on our website.
