

\$1M Liability Insurance Policy Summary

About \$1M Liability Insurance

\$1M USD Liability Insurance (“the Program”) provides owners and property managers with primary coverage against claims for accidents involving third-party bodily injury or third-party property damage, provided the incident occurs during a stay corresponding with a reservation processed online through the HomeAway checkout.

The Program provides up to \$1 million USD in coverage per property, per year, through a policy issued by

Generali Global Assistance is part of the multinational Generali Group, which for over 185 years has created a presence in 60 countries with over 76,000 employees.

There is no additional cost to participate in the Program; however, only stays that correspond with a reservation processed online through the HomeAway checkout are covered. In the event of a claim, benefits will be coordinated along with any other applicable insurance, including your homeowners policy.

See below for information on how to report claims under the Program.

Program Eligibility and Effective Dates

The current term of the policy underlying the Program began on May 8, 2017. Coverage under the Program applies to all stayed nights that occur on or after this date, regardless of check-in or check-out date, provided that the stay corresponds with a reservation processed online through the HomeAway checkout.

Generali Global Assistance is the insurance provider behind this program. HomeAway is the policy holder and, as defined under the Program terms, owners and property managers that list on the HomeAway family of sites or an authorized affiliate are the insured parties (collectively, the “Insured”).

Owner/Property Owner Eligibility

Owners are eligible for coverage under this program if their properties are listed on the HomeAway family of sites or an authorized affiliate, and where the stays correspond with a reservation processed online through the HomeAway checkout.

Property Manager Eligibility

Property managers are eligible for coverage under this program if properties they manage are listed on the HomeAway family of sites or an authorized affiliate, and where the stays correspond with a reservation processed online through the HomeAway checkout.

Property Types Covered

- Properties owned or controlled by the Insured

- Properties listed on the HomeAway family of websites or an authorized HomeAway affiliate
- Properties booked and occupied by a third-party traveler whose stay corresponds with a reservation processed online through the HomeAway checkout

The definition of “properties” under the Program can include mobile homes, Airstream travel trailers, treehouses, watercrafts, and other such accommodations, but only to the extent that the property is stationary and used for residential purposes.

Limits of Insurance

\$1 million USD per occurrence, with a total limit of \$1 million USD available per year per property listed on the HomeAway family of sites or an authorized affiliate during the Program policy term.

Expenses Covered

The expenses that the Insured becomes legally obligated to pay as damages because of bodily injury to a guest or property damage to a third-party property may be covered by this program. If coverage is available for a claim, the \$1 million USD policy limit includes many of the costs to investigate a claim including legal defense, if necessary.

Coverage Territory

Anywhere in the world provided the insured’s responsibility to pay damages is determined:

- In a lawsuit on the merits, that is brought in the territory in which we are not prohibited from engaging in transactions by any applicable sanctions and trade embargos, including those administered by the U.S. Treasury Department’s Office of Foreign Assets Control or in a settlement to which we agree
